

FOURTEENTH ANNUAL BALL

Memorial Auditorium

DECEMBER 31st, 1935

**Burlington Fire Fighters
Association, Inc.**

Loyalty and Good Will

Way back over 29 years ago when this Bank was organized the directors started in to give real banking service—and that means help and advice in financial matters.

Today that kind of service is being carried on which is one of the reasons for this Bank's remarkable growth.

We feel that by helping the community and the people in their financial problems we are carrying out the real reason for a bank's existence.

With its cordial and uniform courtesy this Bank has now thousands of customers whose loyalty and Good Will is an asset beyond price.
